## with Jeff Free Luers *and all Eco-Prisoners*

Celebrate our victory of helping to bring Jeff home!

This June marks the 9th and final year that Jeff 'Free' Luers will spend in prison. Jeff was originally sentenced to 23 years for setting fire to 3 SUV's at Romania Chevrolet to bring attention to global warming. Since then Jeff has won his appeal and was resentenced to 10 years. Jeff will be released this December 2009.
